# Achievements - Members of Alumni

## Ms Bhuvaneshwari Subramani

(2000 - CSE) was the only woman speaker at the first AWS Community Day in India in 2018. She volunteered to run community days to promote more 'Women in Technology space'. She was selected for the AWS diversity scholarship with a fully sponsored trip to AWS re: Invent, the global annual cloud conference in Las Vegas, USA. Out of five women, she was the one to get selected for this opportunity globally. She was honoured as Women Of Infor for promoting diversity and enabling the tech industry to be more inclusive.

BIT proudly honoured her with Alumane Excellence Award in March 2019 Women's Day celebration for her career progression, service to the society and contribution to our institution.

Ms. Bhuvaneshwari is also an active supporter of the Women's Infor Network, WIN. In honour of International Women's Day, IWD, Infor featured her in the Spotlight on Infor Women series and published her advice to fellow women in technology.

She is glad to be the finalist under two categories for the Digital Revolution Awards - Tech Star of the year and Outstanding contribution to the AWS Ecosystem.

Ms. Bhuvaneshwari is now a TEDx Speaker with her debut talk based on the invite from the SSVM Group of Institutions to be part of TEDxYouth@SSVM.
